

# Optical Materials Special Discounts

AlwaysCare has negotiated special fees with thousands of optical locations for extra purchases of lenses and coatings, frames, contact lenses and other products. These discounts may be used in conjunction with your insurance transaction for non-covered services as well as with additional purchases. Providers identified as "Value Added (VA)" or "Service Plus (SP)" in the AlwaysCare Online Directory offer the following additional values. Members receive the fully insured plan allowances minus any co-pays towards everyday retail prices at Walmart, Sam's Club and Costco locations.\*
