Express Scripts Mobile App

Client Presentation

2017
A simple pharmacy experience
Delivering what matters most to members

- Info wherever and whenever
- Help to keep on track
- Optimize the pharmacy benefit
- Flexible and personalized options
- Care from anywhere

Express Scripts 4:00 pm
Time to give Linda her Celebrex.
An app that drives better decisions and healthier outcomes for members on the go

Convenience
- Easy-order refills and up-to-the-minute order status lets members avoid trips to their local pharmacy

Simplicity
- One swipe of the finger is all it takes to stay on track with medications

Peace of Mind
- Reminders and a drug interaction checker help keep members traveling on the road to good health

Versatility
- Flexibility that fits members’ lives, delivering personalized prescription information – whenever & wherever they need it
